DEI Insights Goes on Summer Vacation

After this June 2023 edition, the next edition of this *DEI Insights* newsletter that will be published is the September 2023 edition. Over the summer, any DEI-related news or content will be included in RCBC's college-wide *Briefly* newsletters. We look forward to picking the mantle back up in the fall semester.

Congratulations, Barons!

The PACDEI wants to congratulate all of our amazing graduates who have crossed the finish line this spring. You have proven to yourselves that you can conquer anything in spite of the difficulties you have faced along the way and we are so proud of your accomplishments and resiliency. May your next chapters be triumphant!

What's Next for DEI at RCBC?

Now that we have our final climate survey report in-hand, the PACDEI is spending the summer carving out a college-wide, multi-year DEI strategic plan and a yearly action plan to get us through the next year of making change on campus. These plans will include ways for other departments on campus to get involved; stay tuned!

Book

Not Straight, Not White

by Kevin J. Mumford (2016)

"This compelling book recounts the history of black gay men from the 1950s to the 1990s, tracing how the major movements of the times--from civil rights to black power to gay liberation to AIDS activism--helped shape the cultural stigmas that surrounded race and homosexuality. In locating the rise of black gay identities in historical context, Kevin Mumford explores how activists, performers, and writers rebutted negative stereotypes and refused sexual objectification."
