## SPONSOR'S AFFIDAVIT AND EVIDENCE OF ANNUAL CASH SUPPORT

### What does this affidavit mean?

By completing this affidavit, you are swearing to the U.S. government that you will provide this student with a specific amount of money, from your own financial resources, for every year he or she is going to study at Rowan College at Burlington County and live in the U.S. You are also proving that you can afford the support you are promising with the documentary evidence you have attached.

Before signing it, it is important to understand that you are making a financial commitment to the student that should not be broken. Sponsors who fail to provide the promised support, force students to drop out of school and cause pain and suffering. Do not expect that the student will be able to help support the costs through employment. Employment is strictly controlled by the Department of Homeland Security and very limited.

### How a sponsor should complete this form:

1. Fill this form out in English (or have it officially translated). *Promise only the amount of money you are able to give.* The most common reason we reject affidavits is that we do not believe a sponsor can afford to give as much as promised.
2. Sign and date the affidavit.
3. Attach the supporting evidence listed below. The affidavit will not be accepted without the required supporting evidence.
4. Give the student the original documents, and have him or her submit them electronically or make photocopies to mail to us with the student's application. The student will need to keep the originals to present to the consul at the visa interview.

Furthermore, I understand that I am responsible for all debt incurred by the student. ## **UNDERSTANDING MY RESPONSIBILITIES AS A NONIMMIGRANT F-1 VISA/STATUS STUDENT**

*As an international student at Rowan College at Burlington County, I understand and agree to adhere to the following United States Citizenship and Immigration Service (USCIS) rules regarding maintaining my student visa status. Failure to comply with USCIS rules and regulations may result in my becoming “out of status” and result in possible USCIS action against me. By signing this form, I acknowledge that I accept and understand the requirements and responsibility of a lawful F-1 visa holder. Additionally, Rowan College at Burlington County has specific rules that help students comply with these guidelines. (“I” or “me” or “my” refers to the student who is signing this document.)*

- While the Office of International Student Services of Rowan College at Burlington County provides students with a superior level of advisement and other student services that pertain to students in F-1 status, we do not provide legal services. For legal issues and services, you should refer to a qualified immigration attorney. Likewise, we are not parents. Students need to act responsibly and maturely, both in and out of the classroom.
- The Office of International Student Services is required to report my compliance with USCIS rules and regulations. I further understand that I am responsible for knowing and adhering to these rules and that there may be serious consequences to me should I fail to comply with these rules.
- It is my responsibility to monitor my own registration status and make sure that my courses have not been dropped for non-payment, or, if a class has been canceled, it is my responsibility to make sure that I find another class to replace the canceled one and maintain my full-time status.
- As an F-1 student, I am responsible for completing no fewer than twelve (12) credits in the fall and spring semesters of each academic year. I must satisfy attendance requirements of each course and make reasonable academic progress toward a degree. If I fail to do this—for whatever reason—I understand that I may become “out of status” and will need to apply to the USCIS for reinstatement..
- I understand that attendance is critical for successful completion of college courses. It is my responsibility to notify the Office of International Student Services if I am unable to satisfy attendance requirements. Students who have emergencies or medical conditions that happen unexpectedly and keep a student from attending classes must be able to document these problems as soon as it is reasonable after they occur. We cannot help any student who does not report emergencies after a week of any given event.
- I understand that I will be tested for mathematics and English language proficiency and, if the test results indicate, I may have to take ESL or developmental classes prior to, or concurrent with, courses that are required for my major.
- I will seek and accept initial placement and advising from the Rowan College at Burlington County advisement staff.
- I will notify the Office of International Student Services of any change of address within 10 days in the event that I change my address in the United States. If I fail to do this, I may become out of status and require reinstatement.
- I am solely responsible for making sure that my immigration documents are current and in order—including the expiration date on my I-20—and for providing the Office of International Student Services with copies of any changes, such as a new I-94 card and updated visa. I am solely responsible for the timely submission of all my documents to the USCIS.
- I am responsible for communicating with the Office of International Student Services staff before I stop taking courses or leave Rowan College at Burlington County or take a break in my studies from RCBC, for any reason (examples: transfer to another school, change of status, health issues, marriage, returning home, etc.).
- I must consult the Office of International Student Services at least two weeks prior to any travel outside of the United States. Students who have changed their status in the U.S. or who wish to travel outside the U.S. on expired visas do so at great risk. Therefore, it is necessary to seek the advice of this office prior to any travel outside of the United States.

*continued on next page*

## **UNDERSTANDING MY RESPONSIBILITIES, continued**

A Rowan College at Burlington County SEVIS Designated School Official (DSO) will need to sign page three of my I-20 prior to travel outside of the United States.

- I will not take any vacation time or break in my studies during any academic term without the approval of the Office of International Student Services. Likewise, I agree not to leave the United States or begin my vacation before the official (last day) of the semester.
- I understand that my reason for being in the United States is to be a student, and that I may have to attend school at times that I don't find convenient. Depending on course availability, I may have to come to school five days per week.
- I understand that all documents submitted to Rowan College at Burlington County become the property of Rowan College at Burlington County and cannot be returned. Please submit only the required documents listed on the document check list of the application. All other documents are not considered for the admission process and cannot be returned.
- **If I transferred my I-20 from another school to Rowan College at Burlington County**, it is my responsibility to make sure that I am in possession of my Rowan College at Burlington County I-20 before classes begin. It is my responsibility to provide official transcripts from other U.S. colleges/universities.
- If applicable, it is my responsibility to have my foreign transcript evaluated by a NACES recognized evaluator of foreign credentials. I am responsible for submitting this evaluation to Rowan College at Burlington County.
- I understand that I cannot study at another school while my SEVIS record (I-20) resides with Rowan College at Burlington County without the specific authorization of the Office of International Student Services.

Persons who intend to change their status to any other immigrant or nonimmigrant category are advised to seek the help of a qualified immigration attorney. Students who have pending petitions for permanent residency in the United States **MUST** make this known to the Office of International Student Services at Rowan College at Burlington County.

**Social Security Cards:** As of October 13, 2004, international students can **NOT** be issued a Social Security card without the offer of lawful employment. Since new students can only work on campus, and since jobs are scarce, it is unlikely that any international student will be able to qualify for a Social Security Card.

International students do **NOT** need a Social Security number to get a driver's license, to open bank accounts or to rent apartments.
