C. **Academic Committee:** Chair George Nyikita asked Dr. David Spang to report in Committee Chair Jamie Martin's absence:

The Academic Committee met virtually on Tues., February 9, 2021, at 2:00PM, and the Committee discussed items related to academic programs, including course delivery modalities that President Cioce already alluded to. Our outcomes assessment efforts, in terms of how we continue to measure quality and learning outcomes in our new modes of delivery on campus, health and safety, and how we continue to offer the courses we currently have, as well as what we are planning for the future terms. Then, we discussed elements of the future terms. There was brief discussion regarding some initiatives, including the advising initiative, where full-time faculty advise students. Our open educational resources initiative, where we're looking to maintain and increase the affordability and access of our courses to our students. We discussed some Board policies that the Board just considered as part of the Finance and Facilities Committee report. There was discussion on the update of the RCBC-Rowan University partnership, including the robust enrollment numbers around our 3 + 1 programs. Then, my colleague, Anna Payanzo Cotton, gave an update on the workforce development items, including grants updates, industry updates, and some contractual discussions regarding partnerships.
