

Access

Congratulations! Your course is part of the *Access program at RCBC* which means you will have access on the first day of school! The *Access program* delivers all required course materials as part of your tuition or fees. If you are participating in this program, *you do not need to buy course materials as they will be provided to you*. You get the required digital resources *automatically uploaded to your Blackboard account*, so you can get started on assignments faster and hassle-free. You are now prepared to excel and can feel confident that you have been provided the most competitive pricing available, auto-added to your tuition and fees bill.

Need help?

For technical support please go to <https://support.pearson.com/getsupport/s/> and use the "Contact Support" link at the bottom of the page. It will help if you can mention that you're using a MyLab or Mastering product through "direct integration with Blackboard". The agent may also ask you for a diagnostic file which you can find under the "Integration Support" link along with your other MyLab or Mastering links. If you're having trouble with content loading we also suggest that you try Google Chrome and clear your browser cache and cookies.
