

TRANSCRIPT REQUEST FORM

This form is for College Acceleration Program (CAP) students, former students, and alumni who do not currently have access to WebAdvisor.

- 1. Official transcripts are printed on security paper and cannot be faxed or emailed.
- 2. Requests are processed in the order in which they are received. The Registrar's Office requires an average of five business days to process a request. This does not account for mailing and delivery time. During peak times, at the beginning and end of each semester, please allow additional time for processing your request.
- 3. Transcripts will not be sent if your account has a financial hold. The Business Office must release the hold in order for your request to be processed.
